7. Contact: Debbie Black (471-2295, cblack99@nb.sympatico.ca)

We would like an opportunity to visit the school and present our program to students. A situation which would allow us to speak to the students, and for them to have an opportunity to try the erg, would be ideal.

We would prefer to present during the school day, rather than after school. We don't need a large area but enough space for two ergs.

We are available 10:00 – 1:30 the week of April 24th- 28th.

At your earliest convenience, can you kindly let me know your first and second choice presentation dates and times. I will confirm prior to arrival.

Thank you for supporting our initiative.
